

Saint Wendel Catholic School Newsletter

April 20, 2020

Good Morning! Today we kick off Week #5 of our extended/virtual learning experience. We are so proud of our students and parents. Our students are doing a fantastic job completing assignments each week and giving great effort. Please note that we will be completing our extended/virtual learning experience the week of May 11th. It is our goal that Monday, May 18 through Wednesday, May 20 we will have students and families return all materials (textbooks, library books, chromebooks, chargers, etc). We will communicate a finalized schedule once we get confirmation from the health department.

The School Choice Program is a tuition assistance program offered by the state for our students enrolled in our Kindergarten through 8th grade. The School Choice Program can offer anywhere from \$500.00 off tuition to totally covering all tuition and fees. This program even continues into high school. **We encourage ALL families to look at their 2019 tax return (Line 8- adjusted gross income) to see if you qualify.** Listed below is the guidelines chart. **If you have had a change in employment, reduction in hours, etc which would change your household income from 2019 please contact Mrs. Scheu because there are other documents that can be used to file for tuition assistance.** If you think you might qualify please or have any questions please contact Mrs. Scheu. If your family does not qualify for these income based options and are still interested in learning about additional tuition assistance options please contact Mrs. Scheu for information on our parish scholarships.
