Grammar: Complete Unit 3 Review on p.129. Since we have already completed the first part of the review for the first part of Unit 3, you will just need to complete the remaining questions.

Reading: Read Chapter 5 and 6 in our novel Hatchet. Complete the Ch. 4-6 worksheet. Be sure to write in complete sentences and to explain your reasoning.

Math: Today, we will be working on combining the volume of prisms. We will do page 607 during the Zoom meeting and your homework will be an IXL. It is the IXL that is between DD.15 and DD.16. For some reason it does not have a number assigned to it, so it just says  New! [Volume of compound figures](#).

Social Studies: Work on essay questions from your Chapter 5 Notes Powerpoint. You can access your Powerpoint in your Social Studies Google Classroom.

Religion: Read p. 107 and 109 and complete the Activity on p. 109.

P.E.: Assignment will be posted in your P.E. Google Classroom.

Spanish: Assignment will be posted in your Spanish Google Classroom.
