LA/Technology:

- Practice your spelling and click "choose your invasion" then click "common misspelled words." <https://mrnuessbaum.com/spellerz-customizable-online-spelling-and-typing-game>

Math:

- 6-2 Percents (visual)
- <https://www.khanacademy.org/math/pre-algebra/pre-algebra-ratios-rates/pre-algebra-intro-percents/v/describing-the-meaning-of-percent> On the left side of your screen you should see your videos/practice problems. Watch all videos and practice problems in this section. You should watch a total of 4 videos and the practice problems. This will be

your assignment for today and tomorrow. When you complete the final practice problem, send me a screenshot! (acadden@evdio.org)

The screenshot shows the Khan Academy interface. On the left, a navigation menu is visible with several items highlighted in yellow: 'The meaning of percent', 'Meaning of 100%', 'Practice: Intro to percents', 'Percents from fraction models', 'Practice: Percents from fraction models', 'Fraction, decimal, and percent from visual model', and 'Practice: Relate fractions, decimals, and percents'. A blue hand-drawn circle highlights the first three items. The main content area features a video player with a large blue play button. The video title is 'The meaning of percent' and the thumbnail shows the text '20% = 20 percent' and 'Meaning of percent' with a play button. Below the video player, the title 'The meaning of percent' is repeated, along with the standard 'About' and 'Transcript' links.
