Religion

In the past couple of weeks, all of us have had to deal with many new, difficult, and somewhat scary experiences. During these times remember to turn to our Lord. One way to do this is through music. What I would like you to do is to think of a song that helps calm and heal you. I would then like you to take a moment to listen to your song. Mine is “Lord I Need You” by Matt Maher. I am including the link. Please share with me your song via email or text. I would love to listen to it!
