- Journal: Look at both of these links that show different pictures. They relate to each other and Mr. Furman in some way. Write down why you think they go together. I will have a video next week explaining the connection.

 - Some of you are done, and some of you have no books!
 - Spend some time reading for AR. If your goal is met, read for fun!

Social Studies

- Choose any 2 people that we have covered in Social Studies class this year.
 - You will design/draw 8 different social media posts that you think your chosen figures would make. Social media platforms to use include Facebook, Snapchat, Instagram or Twitter. I would like for you to use each social media platform for each person (4 posts for person 1, 4 posts for person 2). Please draw/color them neatly and be creative. These can use slang, be witty, punny, or joking. Example: Alexander Hamilton: @a_Hammy-As the secretary of the treasury, I am truly making bank. Like literally. OR Just got on the ten dollar bill. Yea, that's right, what have you done with your life? #Iambetterthanyou#alexanderhamilTEN---all credit goes to Sam Muensterman for those two posts. Each post should take up AT LEAST ¼ of a page of printer paper.
 - These will be due by Sunday, May 1st. Please take photos of your work and send it to my email: mfurman@evdio.org
