# Readers are Leaders!

Every year we join in this month-long celebration designed to encourage reading as a fun activity for the whole family. Reading, and understanding what you read, is a skill that everyone needs to be successful. The best way to improve understanding is to read a lot. There is nothing like a challenging book to lift you up or take you to another world. Developing a love of reading will be an asset to your child in all areas of school and give him/her a jumpstart to a lifetime of reading!

Below is a list of books that your child will enjoy while also reinforcing the 7 Habits at home. Additional suggestions can be found at *The Leader in Me* Online.

Lower elementary (K-3) Read the book together. Ask your child questions about how the characters used the habits.

Upper elementary (4-6) Your child reads the book to you. Ask questions about how your child uses the habit.
