## **Vision Statement of Saint Wendel Catholic School**

*“Saint Wendel Catholic School strives, as a school community, to meet the academic needs of its students, to help students develop Christian attitudes and values, and to provide opportunities for students to become productive members of society through service.”*

## **Mission Statement**

**We Learn. We Serve. We are Christlike.**

## **Saint Wendel Catholic School**

Saint Wendel Catholic School on the campus of Saint Wendel Catholic Church in Wadesville, Indiana is a Pre-school through 8th grade Catholic Elementary and Middle School under the Diocese of Evansville Catholic and the Catholic Schools Office.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teacher. Vatican II texts are used so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Saint Wendel, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of Indiana Academic Standards: College & Career Ready Standards, are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

## **HISTORY**

Saint Wendel Catholic School has existed for more than 150 years, and the mission of the school has always been twofold: to provide a rigorous academic program for our students and to transmit the doctrine of the Catholic Faith to the new generation of the faithful. These two missions have been connected to our present vision statement which simply is: *We Learn, We Serve, and We Are Christlike.*

One of the highest tributes which a school can receive is for an outside organization to objectively examine a school and find praise. This happened in the fall of 2015 when an accreditation team from AdvancEd visited Saint Wendel School, examined its accreditation documents, and interviewed 50 school stakeholders (students, staff, parents, community members). The findings of the committee were positive, and Saint Wendel School was described as a “treasure in southern Indiana”. Also, the Indiana Department of Education has ranked our school in it's “A” category and was given a “4 Star” score which shows that we work hard to insure continuous student achievement.

### **Accreditation**

Saint Wendel School is accredited by the Indiana Department of Education, and Advanced Education. It is an Evansville Area Reading Council Honor School. The School has received an “Exemplary” rating and a grade of “A” from the Indiana Department of Education for the last seven years and for the past six years has been named a “4 Star School.”

### **Philosophy**

Saint Wendel Catholic School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Evansville.

1. To develop the total Christian personality by instilling in the students a respect for life and reverence for Christian living.
2. To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service so that each child will grow and develop in the Christian way of life.
3. To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods such as small and large group instruction, departmental classes, and other tools for basic knowledge and formation.
4. To aid students in evaluation of their own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or gender. In the early years, education is often of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

### **Saint Wendel School Board**

The Saint Wendel School Board is a committee of six lay parishioners. Each member serves a three-year term, with two members leaving the commission each year. At each August meeting the board elects three officers: president, vice-president, and secretary. Serving as ex-officio members of the board are the pastor and the principal of the school.

Six major areas of responsibility for the Saint Wendel School Board are: writing policies, reviewing the budget, monitoring curriculum and instruction, selecting and assessing the principal, developing school/community relations, and setting goals.

The School Board conducts regular monthly meetings from August through May. These meetings are open to all parents and parish members.

## **Admission Information**

### **School Choice**

Saint Wendel School participates in the School Choice voucher and scholarship program. Eligibility for these programs are income based. For more information, please contact the principal.

### **School Hours**

**Grades K through 8: 7:30 AM – 2:30 PM.** Students not in their homeroom at 7:30 AM are considered tardy.

The school doors are opened for K-8 students at 7:00 AM. Students arriving at that time will go to the cafeteria for morning drop-off supervision. Early bird drop off is at 6:45 AM in the PreSchool room. At 7:00 AM K-8 students will be sent to the cafetorium. Morning Prayer and announcements starts at 7:30 AM. Prayer and afternoon announcements begin at 2:25 PM each day. Dismissal immediately follows. Saint Wendel Catholic School offers an After School/Extended Care Program. Parents are to make arrangements for their child(ren) to arrive at school on time and be picked up at dismissal time. Three (3) tardies or three (3) early withdrawals is considered a one-half day absence. Excessive tardies will have a direct impact on a student's academic evaluation and promotion to the next grade.

Students not picked up by the end of second pick up (approximately 3:00 PM) will be sent immediately to the Extended Care Program unless they are a bus rider. Parents are charged the daily per child rate of \$5.00 for using this program in grades K-8.

## **Absence Procedures**

1. Students who arrive after the tardy bell should report to the office to sign-in and receive a tardy slip. A detention will be issued after the 5th tardy and again, after the 10th tardy and all other subsequent tardies per quarter. Additionally, upon receipt of the 15th tardy in a school year, a letter will be sent to the parent regarding the excessive tardies. Upon the 18th tardy, the Associate Superintendent will be notified and an Attendance Truancy and Violation Notification Hearing will be held in accordance with Indiana Compulsory Attendance 20-20-8-8.
2. If a student is not in attendance, a parent/guardian must call the school office by 8:00 AM each day the student is absent. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Saint Wendel students. Students must be fever free and non-contagious for 24 hours before returning to school. Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.
3. If a student signs in after 9:30 AM or signs out on or before 12:30 PM, the student will be considered absent for one-half day.
4. In the event of an absence due to illness, arrangements must be made with teachers regarding tests and homework. Homework should be picked up in the school office by the parent between 1:30 PM. - 3:00 P.M., unless other arrangements have been made.
5. The school encourages parents to schedule appointments outside of school hours as much as possible. Students are responsible for all work missed due to appointments. The completed work is expected upon the return to school.
6. An excuse for a known future absence (appointment, vacation, etc.) should be written in advance and presented to the office, the homeroom teacher, and any other teacher whose class will be missed. Students must make arrangements with their teachers regarding tests, class work and homework.
7. Students who are absent from school are not permitted to attend school activities that afternoon or evening. Funeral attendance is an exception; other exceptions must be approved by the principal.
8. The parents must sign out students leaving school during the day (appointment, illness, etc.) in the office. If they return during the school day, they must sign back in at the office.

## **Vacation Policy**

Saint Wendel Catholic School strongly encourages parents to refrain from taking family vacations while school is in session. The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility. It is very difficult for a student to miss school and still keep up with studies. Exceptions to this policy must be cleared with the principal and a note is required from the parent or guardian. Your cooperation in this matter will be greatly appreciated. Absences due to vacations and out-of-town sporting events are considered UNEXCUSED according to state law.

If a child is absent for an extended period of time, the child is expected to have class work to make up within 5 days upon returning to school. Please do not expect the teacher to plan a week of work prior to the vacation.

Teachers are not required to give make-up tests or assignments for absences due to vacations or other unexcused absences ahead of time. No assignment will be given in anticipation of the vacation. If a student/family desires the needed homework it can be accessed on the Sycamore website. Missed tests must be made up at a time that meets the discretion of the individual teachers.

### **Attendance Definition of Excused Absences**

Excused absences will be defined as absences the school regards as legitimate reasons for being out of school, as included in the diocesan/school policy. These absences could include but are not limited to the following:

- Illness or appointment verified by a note from a physician or other qualified professional
- Child sent home from school due to illness
- Absence related a family funeral

- Absence related Court Orders

### **Attendance Definition of Unexcused Absences**

An unexcused absence is defined as any absence not covered under the definition of excused absences.

### **Attendance Definition of Chronic Absenteeism**

A student is considered to have Chronic Absenteeism when he/she has been absent from school for 10% or more of a school year for any reason. A school year consists of 180 days, thus 10% is 18 days of absences, regardless of whether they are excused or unexcused.

When a student has reached 15 absences, for any reason, the parent/guardian will be notified.

If the student reaches 18 absences, for any reason, the Associate Superintendent for the Diocese of Evansville will be notified and a Truancy and Violation Notification Hearing will be held at the school. A parent/guardian is required to be in attendance at the hearing.

A student who is considered to have Chronic Absenteeism and sustains any further illness, is required to provide a note from a physician or other qualified professional to verify the illness.

The principal is required by Compulsory Attendance Law to report a child who is chronically absent from school without verification of illness, to the Department of Child Services and/or the Juvenile Court System. The State of Indiana mandates 162 days of student attendance.

### **Attendance Definition of Habitual Truancy**

A student is considered a Habitual Truant when he/she has been absent from school 10 days or more without being excused.

When a student has reached 8 unexcused absences, the parent/guardian will be notified.

If the student reaches 10 unexcused absences, the Associate Superintendent for the Diocese of Evansville will be notified and a Truancy and Violation Notification Hearing will be held at the school. A parent or guardian is required to be in attendance at the hearing.

A student considered habitual truant may only miss additional days of school if the absence is excused.

The principal is required by Compulsory Attendance Law to report a child who is habitually truant from school to the Department of Child Services and/or the Juvenile Court System. The State of Indiana mandates 162 days of student attendance.

### **Attendance Definition of Chronic Tardiness**

A student who has Chronic Tardiness is defined as being tardy, or late to school, for 10% or more of a school year for any reason. A school year consists of 180 days, thus 10% is 18 days of tardies, regardless of whether they are excused or unexcused.

When a student has reached 15 tardies, the parent/guardian will be notified.

If the student reaches 18 tardies, the Associate Superintendent for the Diocese of Evansville will be notified and a Truancy and Violation Notification Hearing will be held at the school. A parent/guardian is required to be in attendance at the hearing.

The principal will report a child who is chronically tardy from school without verification of illness, to the Department of Child Services and/or the Juvenile Court System.

### **Illness at School**

If a student becomes ill during the school day, a faculty or staff member will contact the parent/guardian. Anyone picking up a child during the school day should do so through the school office.

So that the school knows whom to contact when a parent/guardian cannot be reached, the information on your emergency card must be kept up to date at all times.

### **Dismissal Guidelines**

Dismissal should take place in an orderly fashion with respect for the rights of each person and the safety of all. Faculty members are assigned to oversee the dismissal process.

### **Car Rides**

Parents who pick up their children after school should participate in the 'car line' procedure.

### **Walkers**

Walkers must have their parents'/guardians' permission to walk home. When walking on the road, walkers are expected to follow safety regulations.

### **Bicycle Riders**

Bicycle riders must have written permission from their parents'/guardians in order to ride their bikes to/from school. Bicycle riders will be allowed to leave once the majority of cars and buses have left after dismissal. Observance of the safety regulations of the road is important for each child's safety.

### **Bus Riders**

A supervised recess is provided after school for students who ride late buses. During this time students are expected to observe a conduct which promotes safety and well-being for all. While waiting for a bus, no student is permitted to leave the school premises for any reason.

## **Bus Regulations**

All students who ride a bus are expected to obey the driver. Students refusing to comply with regulations may forfeit their right to ride the bus. Students should be ready to get on the bus when it arrives. A bus driver is not expected to wait for stragglers. Saint Wendel uses EVSC and Posey County buses.

## **Early Dismissal**

Occasionally, weather conditions make it necessary for buses to pick the children up early from school. When this occurs, we usually receive very little advance notice. For this reason we have the School Messenger Communication System which notifies parents of emergency situations. Please keep your phone numbers in the office up to date so that you can be reached.

## **Inclement Weather Closings**

In case of inclement weather, please listen to your radio or television for information concerning school closings. The school does not receive any advance notice of school closings. We must rely on the media just as you do. Since we have students from both Vanderburgh and Posey Counties, our school closes if either county closes school because of inclement weather conditions. Inclement weather closings are conveyed through the School Messenger Communication System.

## **Delayed Schedule**

When buses from either Vanderburgh or Posey County run on a delayed schedule, classes will be adjusted accordingly. All students should arrive at school according to the delayed schedule. Delayed openings are conveyed through the School Messenger Communication System.

## **Allergy Policy**

Saint Wendel School recognizes that life threatening food allergies are an important condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, Saint Wendel School will maintain a system-wide procedure for addressing life threatening allergic reactions and maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.

## **Within the Classrooms**

Teachers must be familiar with the Emergency Action Plan of students in their classes and respond to emergencies as per the emergency protocol documented in the Emergency Action Plan.

In the event of a suspected allergic reaction (where there is no known allergic history), the school nurse will be called and the school's Emergency Response Plan activated. The emergency medical services will be called immediately.

Information will be kept about students' food allergies in the classroom and in the substitute emergency folder, accessible by teachers, substitutes or other responsible adults.

- All teachers and substitutes will be educated about the risk of food allergies.
- A parent or guardian of a student with food allergies is responsible for providing all food for his/her own child. Snacks will be kept in a separate snack box or chest provided by the parent or guardian.
- Tables will be washed with soap and water following any food related events held in the classroom.
- Proper hand cleaning techniques will be taught and encouraged before and after the handling/consumption of food.

## **Uniforms and Dress Code**

All students must be in uniform every day. There will be out-of-uniform days which will be announced during the course of the school year (a dress code for such days is included in this section). If there is a time when the prescribed uniform cannot for some legitimate reason be worn, a note from the parent/guardian must be written to the Principal. Students who are out of uniform without this excuse will be written a dress code violation and the parent will be called to bring the proper clothing.

**ALL UNIFORM REGULATIONS AND GUIDELINES ARE SUBJECT TO THE DISCRETION OF THE PRINCIPAL AND STAFF.**

Parents who volunteer to serve lunch or who volunteer in another capacity in the school **may not drop in to a classroom to see their child** during the day. This is an interruption to the teacher and to the educational process.

### **Crisis Plan**

Saint Wendel School has implemented a “emergency plan” in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to one of two secure designated locations:

1. Saint Wendel Church
2. Off Campus – Knights Home

### **Emergency Drills**

State Law requires that fire drills be held monthly. During the fire drills, students should follow these regulations:

1. Rise in silence when the alarm sounds;
2. Close windows and doors;
3. Walk to the assigned place briskly, in single file at all times, and in silence;
4. Return to building when signal is given.

Tornado drills are held periodically. The procedures are:

1. Rise in silence when the alarm sounds;
2. Walk briskly to the assigned place in single file;
3. Sit, face wall, and put hands over head;
4. Return to classroom when signal is given.

### **Diocese of Evansville and Saint Wendel Seclusion and Restraint Statement**

Saint Wendel Catholic School believes a safe and healthy environment should be provided in which all children can learn, develop, and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school has a Seclusion and Restraint Plan. The purpose of the plan is to insure that all students and staff are safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraint.

Behavioral interventions for children must ensure all children are treated with dignity and respect. This environment should allow all children to be free from physical or mental abuse, aversive behavioral interventions that compromise health and safety, and any physical seclusion or restraint imposed solely for purposes of discipline or convenience.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child’s behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g., disrespect, noncompliance, insubordination, out of seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purposes of de-escalating the behavior.

Parents can access a full copy of our school's plan by request in the school office.

### **Child Abuse Laws**

Saint Wendel School abides by the Child Abuse laws of the State of Indiana and the policy of Report and Inform implemented by the Diocese of Evansville. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

### **Drugs and Alcohol**

Students who possess drugs and/or alcohol at school or at any school function face suspension and/or expulsion. The possession and/or use of illegal or non-prescribed drugs, alcohol, or weapons are strictly forbidden at any time anywhere on the school premises. Violation of this rule is considered a serious offense and may be grounds for expulsion.

Pursuant to existing binding agreements between the Evansville Catholic Schools and various law enforcement and judicial agencies, the school is obligated, as part of its discipline process, to report to law enforcement any offense involving possession or use of any illegal substance or alcoholic beverage by any student which occurs at any function or anywhere on school property.

### **Search Policies**

**Student Searches:** The principal and teachers may search students and their personal belongings if they have a reasonable suspicion, based upon the totality of the circumstances, for suspecting the search will turn up evidence that the student has violated or is violating either the law or school rules.

**Locker Searches:** School lockers are the property of the school. The school principal may search student lockers at any time. The principal may also authorize any other school official or law enforcement officers to search any student locker at any time.

### **Academic Information**

#### **Curriculum**

Saint Wendel School strives for excellence in its academic program. Subject areas of concentration are: religion, language arts, math, science, social studies, fine arts, computer literacy, physical education and health. All textbooks used are state and Diocesan approved.

In the most recent ISTEP+ data from the Diocesan Catholic Schools Office, Saint Wendel School exceeded the Diocesan averages for all academic area subtests.

The Diocesan curriculum guidelines, consistent with the State of Indiana standards, are followed for the teaching of all secular subject areas.

#### **Grading Scale**

**A = 94 – 100**

**D = 70 – 75**

**B = 86 – 93**

**F = 69 or below**

**C = 76 – 85**

## **Honor Roll**

In order to give appropriate weight/value to all subjects taught, a point system is used to determine which students are eligible for honor roll (Grades 5-8). For a student to receive High Honors the student must have earned ALL A's in every subject. For a student to receive Honor the student must have earned All A's and no more than 2 B's in any subject. For a student to receive Honor Mention the student must have earned All A's and B's. Any student who earned a C in any subject is not eligible for Honor Roll.

## **Homework**

It is the philosophy of Saint Wendel School that homework increases the effectiveness of the academic program. It is a reinforcement of the day's learning experiences. The amount of time required to do homework varies with the individual child. Also the amount of time spent on homework should increase as student's progress through higher grade levels. If a parent feels that the amount of homework may be inappropriate, he/she is encouraged to contact the teacher. Students (grades 3-8) are expected to have their agenda books at all times.

Detentions will be given to students in grades third-eight each time they have accumulated five missing or incomplete assignments in a given quarter. Parents will be notified at least one day prior to the day when the detention is to be served.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility. Students with a missing assignment will receive an assignment deficiency. When a student receives their third missing assignment they will be issued a demerit. With the sixth missing assignment they will be issued a detention.

## **Philosophy of Discipline**

At Saint Wendel School it is believed that discipline is essential to an education of high academic standards. A student's behavior must be such that it creates an atmosphere that is conducive to learning. When the process of learning is impeded by a student's behavior, disciplinary action becomes necessary.

Providing this type of discipline takes the cooperative effort of parents, teachers, and administration. If a discipline problem arise involving your child, it is best to speak FIRST to your child's teacher. If after discussing the matter with the teacher you feel that further action is necessary, contact the school principal.

## **Discipline Program**

A good discipline program consists of three components: 1) Rules, 2) Demerits, and 3) Penalties.

*Rules* are the guidelines that make a system work. Chief among these rules is our handbook. Other guidelines include classroom rules, notes in parent newsletters, and instructions given by the teachers.

It is the right and responsibility of the principal to make written RULES and regulations and establish written standards governing student conduct. The principal may take any action which is necessary and reasonable to carry out, or to prevent an interference with carrying out, any educational function.

Violations of the rules constitute a verbal warning:

- disregarding the teachers instructions
- excessive talking or disruption of class
- gum chewing/eating candy during the school day without staff permission
- excessive hallway noise
- use of cell phone, IPOD, or devices with headphones during class time.

Electronic readers, such as “nooks” are only allowed during class time by Grades 7& 8 and can be used when given permission.

After a warning, violation of conduct rules, within a 9-week period, will be the issuance of a DEMERIT. *Demerits are* a method of communication. It will notify parents that some infraction of a given rule has taken place. For each missing assignment the student will be issued an assignment deficiency. On the third missing assignment the student will be issued a demerit.

DEMERITS will be automatically given for

- disrespect/rudeness to staff, students or visitors
- profanity

Three or more DEMERITS earned in a 9-week period will result in a detention. PENALTIES may take on one of three forms: detention, suspension, or expulsion.

DETENTIONS WILL BE AUTOMATICALLY GIVEN FOR:

- cheating/plagiarism
- vandalism
- any type of bullying behavior (physical aggression/verbal threats and harassment toward students or staff

(See Bullying Statement below)

A DETENTION is a penalty that requires a student to spend extra time at school either during the week or on the weekend. The time and date of the detention will be determined by the principal and confirmed with the student’s parents.. **Detention takes precedence over appointments, practices, lessons, tutoring, ballgames, etc.** The principal and/or homeroom teacher will contact parents, either by phone or email, when a student receives a demerit or detention. The school reserves the right to discipline students for conduct, whether inside or outside school, that is detrimental to the reputation of the school.

### **Bullying Statement**

“ANTI-BULLYING STATEMENT: The Catholic Diocese of Evansville and the Catholic Schools Office (CSO) believe that each school in the Catholic Diocese of Evansville must be aware that its purpose is rooted in the mission of the Church. Each school, in fulfilling its role within the educational mission of the Church, must share and live out, through Catholic Christian tradition, the message of Jesus Christ and be committed to providing an integrated Catholic educational environment that permeates all aspects of its daily life and operations.

Bullying is prohibited in all schools in the Catholic Diocese of Evansville. It must not be tolerated on or off the school grounds. Bullying and intimidation are actions that are contrary to the teaching of Jesus Christ. This behavior is against the fundamental tenet of “love your neighbor as yourself”, and destroys respect for the dignity of the student, undermines the Christian atmosphere of the school, and deprives the student of a safe and caring learning environment. Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior; treating others with civility and respect; and refusing to tolerate harassment, intimidation or bullying.

Bullying, as defined by the CSO, is any overt acts by a student or a group of students directed against another student with the intent to ridicule, humiliate, or intimidate the other student while on or off school grounds where acts are repeated against the same student over time. Bullying includes physical intimidation or assault, extortion, oral or written threats, digital or electronic expressions/threats, teasing, putdowns, name-calling, threatening looks, gestures or actions, cruel rumors, false accusations, and social isolation.

Any person who has a complaint of bullying must bring that complaint to the attention of the school principal. Forms for reporting alleged bullying are appended to this manual and may be obtained from the school principal's office. All such complaints will be properly investigated. Every effort will be made to maintain the privacy of the charging person and the person or persons complained about. School officials will keep documentation of all bullying investigations and allegations and take appropriate and corrective action including disciplinary action measures if justified to remedy violations. A copy of an Incident Form must be sent to the superintendent as soon as possible."

Bullying is an intentional act of aggression causing embarrassment, pain, or discomfort to another person. It is a consistent pattern of disrespect of one or more students by another. It is an abuse of power which can take many forms; physical(hitting, kicking, shoving, spitting); verbal(taunting, teasing, degrading social or sexual comments, rumor spreading); non-verbal(threatening gestures, exclusion, Internet, text messaging via cell phones, Instant Message). Bullying may constitute grounds for detention, suspension, or expulsion. Harassment of any type is not tolerated. The principal investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

**SUSPENSION...**is the loss of normal rights for a short period of time. Any student accumulating nine (9) demerit slips in one quarter will be subject to either an "in-school" or "out of school" suspension depending on the seriousness of offenses committed by the student and the kind of suspension will be decided upon by the principal.

**EXPULSION...**is the dismissal of a student from the school for disciplinary reasons. Decisions concerning expulsion will be communicated by the principal to the pastor, the president of the Saint Wendel Education Commission, and to the Diocesan Director of Schools

### **Catholic Diocese of Evansville Code of Christian Conduct Covering Students and Parents/Guardians of Saint Wendel Catholic School**

The students' interest in receiving a quality, morally based education can only be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the students behave in a manner, both on and off campus, which is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. The principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school. These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.

2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. These expectations for students and parents/guardians include, but are not limited to; all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.). The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

### **Catholic Diocese of Evansville Crisis/Confrontation Policy**

- A. A student has voluntarily participated in or assisted in any conduct which, although not itself illegal, encourages, invites or entices, by work or example, any other person to engage in conduct volatile of the law or volatile of the Code of Christian Conduct;
- B. A student has knowingly possessed, used, transmitted or been under the influence of any controlled substance, alcoholic beverage or intoxicant of any kind on school property or at any school function;
- C. A student knowingly possesses, handles, conceals or transmits any object that could be used as a weapon or instrument of destruction on school property or at any school function;

Upon the receipt of such information, school authorities, in addition to all other remedies available, shall have the authority to confront the student and/or the student's parents or guardians and to impose, as a condition of such student's continued enrollment, any reasonable requirements and/or restrictions upon such student and his or her parents or guardians which, in the opinions of school authorities are necessary to protect the general student body, the school itself, the educational mission of the school and/or members of the general public. The failure or refusal of a student or parent to comply with such requirements, conditions and/or restrictions shall be grounds for the immediate expulsion of the student.

### **School Property & Textbooks**

Students are asked to help keep the school building and grounds in good condition. In so doing loyalty for and pride in the parish school will be instilled in each of the students - a pride and loyalty that will carry over into the future when they will be the ones who will support and maintain the school.

1. If equipment or furniture is marred or destroyed through carelessness, the child will be expected to make good the expense entailed.
2. Textbooks are used on a rental plan. We ask that parental supervision be exercised to ensure that good care is taken of all textbooks.
3. Students are expected to pay for books that are lost or damaged.
4. The school telephone is a business phone. Students may not call home when books, homework, gym clothing, lunches, etc. are forgotten. Students may call home only concerning health issues

### **Technology Disciplinary Procedures**

To remain eligible as users, a student's use of the Internet must be in support of and consistent with the educational objectives and Christian principles of the Catholic Diocese of Evansville. Access is a privilege, not a right. Access entails responsibility.

Misuse of the Internet will not be tolerated. Use of the Internet in school by a student for other than school or educational purpose is misuse. Other examples of misuse include:

- exposing others to stalking or harassment, or danger of any kind;
- exposing the school to liability for harm done to others
- exposing others to inappropriate material
- contracting computer viruses
- plagiarism, copyright and trade secret violations

Any violations of the policies of Saint Wendel School concerning the use of the Internet as set forth in the Internet Acceptable Use Policy may result in disciplinary actions, including;

- detention or suspension; and/or
- expulsion from school.

### **Technology Concerns**

**Blogs:** Engagement in online blogs such as, but not limited to, MySpace.com®, Xanga®, Friendster®, Facebook®, etc. may result in disciplinary actions if the content of the student's blog includes defamatory comments regarding the school, the faculty, other students or the parish.

**Cell Phones:** If a student needs a cell phone after school due to walking home from school, entering a house where no one is home, or attending sport practices or games, he/she should turn the cell phone to the off position for the day. Students will be asked to turn their phones in at the beginning of the day to their homeroom teacher. At no time during the day should a cell phone be in his/his physical possession.

**Sexting:** Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension and/or expulsion.

**Texting:** Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face detention, suspension and/or expulsion.

### **Catholic Diocese of Evansville** **Saint Wendel Catholic School** **Internet Acceptable use Policy** **Statement of Goals and Objectives**

Internet services provide access to electronic mail (e-mail), public shareware of all types, and massive databases at universities, government agencies and private industries. Internet access promotes excellence through resource sharing, innovation, and communication.

The internet also contains material that is objectionable. Faculty members at Saint Wendel Catholic School in the Catholic Diocese of Evansville understand this and have taken precautions to control student access to objectionable material by instructing and supervising students on the proper use of the Internet and electronic mail. Still, on a global network it is impossible to control all materials that are objectionable or inappropriate. An industrious user may gain access to sites that are supposed to be filtered. Families should be aware that some material accessible via the Internet may be illegal, defamatory, inaccurate, sexually explicit, or otherwise offensive to some people. In addition, it is possible to purchase goods and services via the Internet which could result in unwanted financial obligations for a student's parents or guardian.

The faculty and staff at Saint Wendel School believe that the advantages Internet access holds for students exceed its disadvantages. However, parents and guardians are primarily responsible for setting and conveying the standards their children should follow when using the Internet or any information source. These standards should conform to the Christian principles of the school, as set forth in the student handbook and as instructed by the school faculty and administration. These standards also apply with respect to student-created materials placed on the Internet or other electronic media whether the materials were created at or sent from the school, home, or elsewhere, AND ESPECIALLY to the extent that they include displays of harassment, threats, or disrespect(as discussed below) or endanger students or school personnel in any manner.

Students are required to conform their behavior to the Christian principles of the school at all times, whether on or off campus. Failure to do so may result in disciplinary action. While on-line, students are to use the same good behavior that is expected of them in the classroom. If a student violates any of the terms and conditions described below, his or her Internet access will be terminated and future access could be denied. Furthermore, a student may be subject to disciplinary action, including expulsion, for abusive use of the Internet. This also includes communications originating in or outside of the school by mobile devices such as cellular telephones, Black Berry's, Pocket PC, Sidekicks, pagers and other similar devices (including wi-fi/wireless communications)which threaten other students or school personnel, violate school rules or disrupt the educational process promoted by the school. Abusive internet communications include, for example, posting or dissemination of written material graphics, photographs or other representations which communicate, depict, promote or encourage:

- Use of any illegal or controlled substance, including alcoholic beverages,
- Violence or threats of violence, intimidation or injury to the property or person of another, or
- Lewd, offensive, sexually suggestive or other inappropriate behavior on web pages or web sites, on Bulletin Board Systems(BBS), in e-mail communications or attachments, in discussion groups, user groups, chat rooms, or any other function of the Internet or World Wide Web electronic media. At a minimum, the same standards apply to these media as would apply to written correspondence, publications, speech, or any other form of dissemination, communication, or display of information or images by students.

Users of school-based computers should not expect that stored files are private. Electronic messages and files stored on school-based computers should be treated as school lockers. Materials created by or otherwise placed on the Internet by students via any means through the use of school computer equipment or in the course and scope of acceptable academic use are the property of the school not student. This lack of privacy shall not affect the requirement that students respect the privacy and property of other students with respect to electronic media, just as with any other privacy or property issues.

Faculty and administrative personnel may review all stored files, e-mail communications and other postings to maintain system integrity, to ensure that users are acting responsibly and to enforce the rules of the school. Please read the Terms and Conditions carefully. By reading and signing the following Internet Use Policy Contract, students and parents or guardians are acknowledging that they are aware of their rights and responsibilities as users of the Internet in the school.

At the end of the two week period, the student's academic progress will be assessed. Students whose average is an F will not be allowed to participate in any sport or academic competition until the grade has improved to a passing grade of D (70% or higher).

### **Eligibility for Extracurricular Activities**

Saint Wendel students may participate in optional extracurricular activities such as sports, speech team, drama club, academic teams, school dances, etc. There are certain standards, however, that must be maintained in order to remain eligible to participate in such programs. The standards and resulting penalties include the following:

As far as grades: The student must not be failing any classes. Grades will be reviewed as report cards are issued on a nine week cycle. Upon release of a report card not meeting minimum standards, the student will be suspended from play or other extracurricular activity for 2 weeks from the day reports cards go home. After 2 weeks the situation will be reviewed by the school principal. At that time, the student will be reinstated to the team or extracurricular activity if the grade problem is corrected. If grades are not up to standard, the student will continue activity suspension. After the second 2 weeks of activity suspension, the grades will be reviewed again. If grades are up to minimum, the student will be returned to eligibility. If the grades are still inadequate, the student will be removed from the school team and denied practice and play until the student receives a report card that is up to minimum standards.

As far as serving a detention: A detention warrants the same suspension period as stated above. This is for students serving detention for conduct reason (3 demerits within a nine week period) and students serving detention for receiving five assignment deficiencies within a nine week period. The probationary period, as outlined above, begins on the day when the third demerit or fifth assignment deficiency is issued. Students who are ineligible for extracurricular activities at the end of the school year will be able to participate in extracurricular activities at the beginning of the next school year, but the situation will be closely monitored by school administration.

Exception to the above policies can be granted at the discretion of the school administrator for appropriate reasons.

Students may be disqualified from participation in extracurricular activities based upon behavioral reasons established by Saint Wendel School.

2. Promoting leadership skills for the students.

A student will be elected to the student council as follows:

1. A student must return a completed application by the assigned due date.
2. A student may prepare two posters for display promoting his/her candidacy during the campaign period. The posters must be approved by a student council sponsor before being displayed.
3. Each candidate must write a speech (at least 100 words) to be presented to an assembly of the students in Grades 5-8. This essay must be submitted no later than the assigned due date for approval by a student council sponsor.

5. The body of newly elected student council members as a whole will choose officers (president, vice-president, secretary, and treasurer) from the roster of the new seventh and eighth grade student council members.
6. Those students who run for student council, but are not elected, may serve on the student council as alternates. All of the guidelines that pertain to the elected members also apply to alternates. Alternates, however, do not have voting privileges on student council matters. The top eight students (determined by votes received in the election) who are not officially elected to the council will be alternates.

All student council members must follow the guidelines as follows:

1. Once elected to the student council, students must demonstrate responsibility and always represent the school to the best of their ability. They must carry a grade point average of at least a "C" each quarter and receive no detentions or suspensions. Dismissal from the student council will result if any of these provisions are not met.
2. Members must be serious about their duties and attend scheduled meetings. If a member is unable to attend a meeting, he/she must give notice to a sponsor in advance of the meeting. Two unexcused absences from the required meetings will result in dismissal from the student council.

2. Grades 1-4 may submit ideas to council members.
3. An alternate representative shall be chosen from each class to assume the duty of his/her classmate, should this be necessary.

Parent-teacher conferences are an excellent means of communication between parents and teachers concerning a child's progress. Formal parent-teacher conferences are held immediately after the first grading period. You are encouraged to ask the teacher for a conference at any time to discuss any matter pertaining to the welfare of your child or his/her progress. There are also optional spring parent-teacher conferences that can be requested

by either the teacher or parent. A teacher may be contacted at school until 10 minutes after the closing of each school day. Please call for an appointment with a teacher if you wish to see her/him.
