You do not need to take it again.

4. Writing-Valentine Sentences

-You should have a paper in your folder with 4 pictures on it (box of chocolate, boy holding flowers, cupcake, and Valentine's Day card). It should be labeled "Friday."

Write a sentence to go with each picture.

5. Math-Please complete Basic Addition/Subtraction Facts worksheet that you should have in your folder. It should be labeled "Friday."

-This is a small sheet of paper with 6 rows of addition and subtraction problems. At school we try to do as many as we can in 3 minutes, but you don't have to time your child. They can work all of them unless they want you to time them!

*You may take AR quizzes today and practice math in Prodigy!

*We will have our Valentine's Day party the first day we are back in school:)
